REPAIRS/EMERGENCIES: It may be necessary to come in **during school / work hours** for emergencies. Please call ASAP and we will try to evaluate over the phone. Some “emergencies” can wait until your next appointment; others need to be addressed ASAP. **IMPORTANT:** Notify the office if anything is broken, even if you have an upcoming appointment, so that we can allot more time for fixing.

- **Keep in mind our appointments are normally scheduled 6 weeks in advance, therefore, any reschedules or missed appointments may result in waiting several weeks for another available appointment.**

IT IS IMPORTANT TO ADHERE TO THE APPOINTMENT SCHEDULING THAT DR. JIORLE HAS SET UP. IF NOT PROPERLY SUPERVISED, APPLIANCES CAN ADVERSELY MOVE TEETH, CAUSE DAMAGE TO TEETH OR GUMS, OR LENGTHEN TREATMENT TIME.

PLEASE PHONE THE OFFICE AS SOON AS POSSIBLE IF YOU MUST CHANGE OR CANCEL AN APPOINTMENT OR IF YOU ARE HAVING A PROBLEM. Please leave a message if we are closed. Thank you for your cooperation.
